DETAILED ACTION

1. The amendment of 9/22/05 making the objected to claims independent form is acceptable.

Allowable Subject Matter

2. Claims 2, 4-6, 9, 11-20 are allowed.

The following is an examiner's statement of reasons for allowance:

As per Claim 4.

The prior art of record, specifically, Kuzma ('289), Begeja (621), Kahn et al ('054), Sundsted ('967) and Douceur et al ('721) in view of Naudus (006) or Grande et al ('850) do not disclose or fairly teach:

a franking request receipt module, operative to receive a request for at least one frank; wherein the request associates at least one franking criterion indicative of the relative importance as specified by a user, with regard to a given communication;

wherein the franking request receipt module further comprises a communication receipt module operative to receive a communication and to determine whether the communication is franked or unfranked; and a verification module operative to verify the authenticity of a frank affixed to a franked communication, the verification module operatively connected to the communication receipt module and further operative to receive communication from the communication receipt module.

The claims that depend from the above allowable claim are allowable for the same reasons.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
